

**MONTEREY PENINSULA REGIONAL PARK DISTRICT
BOARD OF DIRECTORS MEETING**

DATE: October 05, 2022
TO: Board of Directors
FROM: Rafael Payan, General Manager
SUBJECT: Presentation – Fort Ord Regional Trail and Greenway (FORTAG) Project Update, Michael Zeller and Lindsey Van Parys, Transportation Agency for Monterey County (TAMC)

SUMMARY:

FORTAG is a proposed 30-mile regional network of recreational trails and greenways connecting many of the Central Coast's communities to open space.

FORTAG will facilitate active transportation, expanding our region's opportunities for traveling between home, work, and commercial areas by foot, bicycle, or wheelchair.

FORTAG is part of a larger effort by TAMC, and their partners, to address climate change by reducing vehicle miles travelled within the region, under the **Monterey County Regional Transportation Plan (RTP)** and the **California Climate Action Plan for Transportation Infrastructure (CAPTI)**. MPRPD's Frog Pond Wetland Preserve may be integrated as a vital component of this important endeavor.
